Under terms of G O No Fl 2002-61/S&A 173-41-1 dated 24-10-1941 Dearness Allowance may be granted to all wholetime employees even when they are borne on work establishment From the reply furnished by the Chairman City Improvement Trust Board it is seen that the maistries and coolies in question are wholetime employees, paid at monthly rates and not at specified rates for work done (which would bring them under the category of petty contractors) There does not therefore seem to be any objection to pay dearness allowance

In this connection it may be stated that the Auditor, Electrical Department, has raised the question as to the admissibility of dearness allowance to temporary labour charged to individual works as opposed to regular work establishment, and the same is under the consideration of Government
